### ***TERMINATION OF BENEFITS***

Coverage for you and your dependents will cease on the earliest of:

- the date you terminate employment,
- the date you cease to be eligible due to retirement, death, leave of absence, age limitation, change in classification, etc.,
- the termination date of the Group Contract.

### ***CO-ORDINATION OF BENEFITS***

In the event that benefits may be claimed under more than one section of the health care plan, the claim will be assessed in a manner that provides the greatest benefit to the employee.

If you are eligible for similar benefits under another group benefit plan the amount payable through this plan shall be co-ordinated with all benefit plans and will not exceed 100% of the eligible expense. Where both spouses of a family have coverage through their own employer benefit plans, the first payer of each spouse's claim is their own employer's plan. Any amount not paid by the first payer can then be submitted for consideration to the other spouse's benefit plan (the second-payer).

Claims for dependent children should be submitted first to the benefit plan of the spouse who has the earlier birth month in the calendar year, and then to the other spouse's benefit plan. When submitting a claim to a second payer, be sure to include payment details provided by the first payer.

Benefit payments will be co-ordinated with any other plan or arrangement, in accordance with the Canadian Life and Health Insurance Association (CLHIA) guidelines.

### ***CONVERSION PRIVILEGE***

If you should terminate employment, you may convert to an Individual Health and Dental plan currently issued by Blue Cross provided that application is made within 31 days following your date of termination. This conversion privilege is also available to the surviving spouse and/or dependents in the event of your death.

If you become totally disabled prior to your 65th birthday, and remain disabled for a period of six (6) consecutive months, insurance coverage is continued without payment of premium from the first of the month following the date of disability, provided that proof of total and continuous disability is submitted as required. Total Disability means a state of incapacity due to accidental bodily injury or illness which prevents you from engaging in any occupation for which you are reasonably qualified by education, training or experience and you are unable to perform work for remuneration or profit. However, if you are entitled to receive any Long Term Disability benefits under this plan, you will be considered to be totally disabled for the waiver of premium benefit.

In the event you recover from a total disability and become disabled again due to the same or related cause, the second period of disability will be considered a continuation of the first disability; unless, the periods of disability are separated by an interval of at least six (6) months during which you returned to work on a permanent basis.

If a period of total disability is considered to be a continuation of a previous total disability, then premiums will be waived without the application of another six (6) months of total disability.

### ***ELIGIBLE EMPLOYEES***

To be eligible for group benefits, you must be a permanent employee who is a resident of Canada, covered under your Nova Scotia Medical Services Insurance, actively at work and working a minimum of 20 hours per week on a regular basis and have completed the plan waiting period. The waiting period for your group plan is following two (2) months of continuous employment.

Employees may elect coverage, within 60 days of becoming eligible following the waiting period, by completing an application. Coverage is effective on the date of eligibility, except when: (a) the employee is not actively at work on the day that coverage would otherwise become effective, or (b) the application is made after the 60 day period.

If not actively at work when you would normally have become eligible, your coverage will commence when you return to work on a full-time basis.

All benefits described in this booklet are available to employees of the group, subject to application by the employee and underwriting approval.

### ***ELIGIBLE DEPENDENTS***

Dependents are defined as your legal spouse (as described below), and unmarried, unemployed dependent children including natural, legally adopted or step-children. Children of a common-law spouse may be covered if they are living with the employee.

The term “spouse” is defined as a person of the opposite or same sex who is legally married to the employee, or has continuously resided with the employee for not less than one full year having been represented as members of a conjugal relationship (common law). In the event of divorce, legal separation, or discontinuance of cohabitation (“common law” spouse), the employee may elect to continue membership of the former spouse or to provide notice to Medavie Blue Cross to terminate coverage for the spouse. Medavie Blue Cross will at no time provide coverage for more than one spouse under the same plan.

Dependent children are eligible for benefits if they are less than 21 years of age or; if 21 years of age but less than 26 years of age, they must be attending an accredited educational institution, college or university on a full-time basis.

Unmarried, unemployed children 21 years of age or older qualify if they are dependent upon the employee by reason of a mental or physical disability and have been continuously so disabled since the age of 21. Unmarried, unemployed children who became totally disabled while attending an accredited educational institution, college or university on a full-time basis prior to the age of 26 and have been continuously disabled since that time also qualify as a dependent.

Dependent coverage begins for your eligible dependents on the same date as your coverage, or as soon as they become eligible dependents if added later, provided that dependent benefits were applied for within 60 days of their becoming eligible. If coverage is not applied for within this 60 day period, evidence of health on the dependents may have to be submitted and approved before coverage begins.

### ***EVIDENCE OF HEALTH***

Proof of good health is not required if application is made within 60 days of first becoming eligible. If coverage is not applied for within this 60 day period, evidence may be requested for the employee and his dependents, if any, before benefits commence.

Certain other situations may require the submission of evidence of health before coverage will be approved. The cost of obtaining evidence of health is to be provided at your own expense if you or your dependents do not apply for coverage within 60 days of becoming eligible.

### ***ALTERNATIVE BENEFIT***

Where more than one form or alternative form of treatment exists, Medavie Blue Cross, in consultation with its Health Care Consultants, reserves the right to make payment for eligible services and supplies based on an alternate procedure or supply with a lower cost, when deemed appropriate and consistent with good health management.
